MEMORANDUM FOR: Chief, Far East Division

THROUGH : Chief of Administration
Office of the Deputy Director (Plans)

SUBJECT : U. S. Income Tax Interest for [REDACTED]

25X1A9a

1. Reference is made to your memorandum, dated 22 July 1953, for the General Counsel, concerning the above subject. That memorandum has attached the request, dated 7 July 1953, that Section 10.12 of the Confidential Funds Regulations be utilized as authority for the payment of interest in the amount of \$560.35 due on unpaid income tax for which [REDACTED] is liable. The 25X1A9a referenced memorandum indicates that [REDACTED] was aware of his responsibility to pay the income tax involved. It is believed that [REDACTED] being aware of his personal responsibilities in this matter, within a reasonable time after his return to the United States in October 1952, should have taken positive steps to have discharged that obligation. Further I have been advised that if the matter had been pressed, the apparent obstacles could have been overcome. It is believed that some time prior to 31 December 1952 can be considered a reasonable period in which [REDACTED] could have discharged his obligation.

2. In view of the above, I am willing to approve payment by CIA of interest on the tax until 31 December 1952. This memorandum may be construed as approval by me under Section 10.12 of the Confidential Funds Regulations for the payment of the interest, exact amount of which should be determined by the Comptroller's Office.
